CAP CANA

PUNTA CANA, DOMINICAN REPUBLIC

Only 10 minutes from the Punta Cana International Airport, Cap Cana is the new Dominican paradise, with a total of 30,000 acres, including 3.4 miles of virgin beaches. The project is to be developed over a span of 12 to 15 years. One residential option, Green Village, was recently recognized as being among the 10 best options for real estate investment around the world by *Travel + Leisure* magazine. The beachfront Punta Espada course, the first of three at Cap Cana under the signature and design of Jack Nicklaus, will be the site of a new Champions Tour event with the 2008 PGA Tour. The marina at Cap Cana, designed to be the most important full-service facility in the Caribbean, will have a capacity of 1,000 slips accommodating 150-foot yachts.
